

120% scale foam cutting template for gauntlet and palm

Remove this page from the sleeve and carefully cut around the lines

Trace onto the foam side (not the wax paper side) of the self adhesive foam sheet using a pencil

120% scale gauntlet
foam
cutting template

The template is a large, simple trapezoid shape, wider at the bottom than the top, representing the gauntlet part of the prosthetic.

120% scale palm foam cutting
template

The template is a complex shape representing a palm. It has a large, rounded base and a top edge with several curved, finger-like protrusions. The text "120% scale palm foam cutting template" is centered within the shape.

Use this side for right palm
and reverse side for left palm
